

# Mount Home Baptist Church

January 30, 2023

Dear Church Family,

The staff and leadership of Mount Home Baptist Church respectfully request your assistance with a big project underway at the church. The church recently purchased a new church management software, *Servant Keeper*, to improve communications with you and expand our reach into the community.

If you received this letter and no longer consider yourself a member of Mount Home, please email or call the church office to have your membership transferred formally. Phone 828/437-0593 or email [betty@mounthomebaptist.org](mailto:betty@mounthomebaptist.org).

Enclosed are two documents that require your attention. The first entitled 'Membership Information' is the data we have for you and your household. As you can see, there is more information needed that would help us connect with you. Please complete the form to the extent you are most comfortable. Your email and cell phone are the most important items but completing more is appreciated.

The second document is a survey. We want you to connect in areas of ministry at Mount Home that you feel called. Please prayerfully consider the listed areas and check the boxes that interest you. If you have additional thoughts or ideas, please pencil those in the 'Notes' section at the bottom.

You have several options for returning these two documents. One, mail back to the church in the envelope provided, don't forget the stamp! Two, place your completed forms in the enclosed envelope and drop in the collection plate Sunday. The last option is to swing by the church office and hand-deliver it. We always enjoy your visits!

Thank you so much for taking the time to complete these forms. We are excited about the possibilities and future of Mount Home's members and ministries.

Blessings,

The Staff of Mount Home Baptist Church

Betty Landers  
Ethaw

Sheila, Joe, Jerry, Darnelle, Kathy  
Rocky
